Professional Experience

Intern

• I did my internship in Solution Analyst from 27th June to 27th July, 2022 During my 7th semester internship program.Where I received a training in important web development framework AngularJS and also made small projects like todo list, tic toc toe game, fully validated form in the last week of internship
• After the internship I learned another framework by myself which is ReactJs And in which I also made my 8th semester project Which was on an ecommerce website.

06/2022 – 07/2022
Ahemdabad, India

Projects

Personal Website ⧉
I developed and designed my personal portfolio website to showcase my technical expertise, project experience, and design skills. It serves as a platform for professional growth and networking.

Ecommerce Website ↗

My MERN stack ecommerce website allows for seamless online transactions with intuitive product filtering and payment processing. Built with secure and scalable technology, providing an optimal user experience."
